Duration of 14 different audiovisual loops: 1-3 minutes

Exhibition: audiovisual presentation / Technical equipment: 14 screens and corresponding loudspeakers

2010

GUTENBERG GALAXIAS

Museo San Alberto & Goethe Institut - Córdoba - Argentina

The multimedia project was presented in the historical rooms in which the Jesuits of the 17th Century (Founders of the National University of Córdoba in 1613) had installed the first printing press of Argentina and printed bibles, dictionaries and books for the University.

Jana Kluge Video Installation + digital art on paper
